## MARINE EQUIPMENT DIRECTIVE 2014/90/EU

Regulation: 2014/90/EU and implementation EU 2020/1170

EC TYPE EXAMINATION (Module B)

CERTIFICATE: 2831-MED-1067

### Annex

### Limitations of Use

These products shall be installed in accordance with the manufacturer's installation instructions.

### Example Mark of Conformity

2831 / Year

#### Notes:

1. 2831 BRE Global Ireland Notified Body Identification No.
2. Year – indicates year in which marking was applied

This is to certify that BRE Global Ireland did undertake the relevant Type Examination for the equipment identified above which was found to be in compliance with the Fire Protection requirements of Marine Equipment Directive (MED) 2014/90/EU subject to any conditions in the annex attached hereto

This certificate is issued under the authority of the Irish Marine Administration under the terms stated above and remains valid for a period up to but not exceeding 5 years unless cancelled or revoked, providing the conditions in the attached annex are complied with.

This certificate will not be valid if the manufacturer makes any changes or modifications to the approved type of equipment which have not been notified to BRE Global Ireland

As applicable, a U.S. Coast Guard approval number will be assigned to the equipment when the production module has been completed and will appear on the production module certificate (module D, E or F), as allowed by Decision 1/2018 of the Joint Committee established between the European Community and the United States of America on the mutual recognition of certificates of conformity for marine equipment amending Annexes I, II and III, signed 18 February 2019.

The mark of conformity may only be affixed to the above type approved equipment and a Manufacturer's Declaration of Conformity issued when the production-surveillance module (D, E or F) of Annex B of the MED is fully complied with and controlled by a written inspection agreement with a Notified Body.

## MARINE EQUIPMENT DIRECTIVE 2014/90/EU Regulation: 2014/90/EU and implementation EU 2020/1170 EC TYPE EXAMINATION (Module B) CERTIFICATE: 2831-MED-1070

### Annex

#### Limitations of Use

These products shall be installed in accordance with the manufacturer's installation instructions.

#### Example Mark of Conformity

2831 / Year

#### Notes:

1. 2831 BRE Global Ireland Notified Body Identification No.
2. Year – indicates year in which marking was applied

This is to certify that BRE Global Ireland did undertake the relevant Type Examination for the equipment identified above which was found to be in compliance with the Fire Protection requirements of Marine Equipment Directive (MED) 2014/90/EU subject to any conditions in the annex attached hereto

This certificate is issued under the authority of the Irish Marine Administration under the terms stated above and remains valid for a period up to but not exceeding 5 years unless cancelled or revoked, providing the conditions in the attached annex are complied with.

This certificate will not be valid if the manufacturer makes any changes or modifications to the approved type of equipment which have not been notified to BRE Global Ireland

As applicable, a U.S. Coast Guard approval number will be assigned to the equipment when the production module has been completed and will appear on the production module certificate (module D, E or F), as allowed by Decision 1/2018 of the Joint Committee established between the European Community and the United States of America on the mutual recognition of certificates of conformity for marine equipment amending Annexes I, II and III, signed 18 February 2019.

The mark of conformity may only be affixed to the above type approved equipment and a Manufacturer's Declaration of Conformity issued when the production-surveillance module (D, E or F) of Annex B of the MED is fully complied with and controlled by a written inspection agreement with a Notified Body.
